Government Order No. SWL 240 LLD 74 dated 23rd July 1975

AWARD

The State Government has referred the following point of dispute for adjudication by this Tribunal as per Government Order No SWL 240 LLD 74 dated 23rd July 1975 issued in exercise of its powers conferred under section 10 (1) (d) of the Industrial Disputes Act, 1947.

Are the workmen (Garblers) of Mysore Coffee Processing Co operative Society Ltd., Mysore-2. justified in demanding full wages for two days of non-employment on 2nd February 1974 and 4th February 1974 ?

If not, to what other relief the workmen are entitled ?

2 The I Party states that in order to liquidate the I Party Union, the II Party inter-alia refused to provide work to the Garblers as usual 50 kgs. at a time on a ticket on 2nd February 1974 and again on 4th February 1974 though each Garbler was attending to 50 kgs. of coffee at a time on a ticket. The introduction by the II Party of a change in the work-load calling upon each Garbler to take 75 kgs. of coffee on a ticket instead of the usual 50 kgs. on a ticket at a time, amounts to alteration of service conditions. No notice before altering the work-load was given. The II Party is bound to pay wages for the two days in question.

3 The II Party contended that as the Coffee Board directed it to increase production (curing) in order to meet export demand on 2nd February 1974, the II party notified the Garblers that as from that day, 75 kgs of milled coffee would be issued to each garbler. This step was taken to increase the production and also to help the garblers in earning more emoluments. By issuing 75 kgs. of milled coffee, the interest of the garblers was in no way jeopardised in as much as they were paid on piece rate basis. The Garblers refused to receive 75 kgs. of milled coffee and struck work on 2nd February 1974 and 4th February 1974 at the behest of the 5 members of the office staff who refused to obey the orders transferring them and also raised a dispute which is pending in Reference No. 4 of 1974 on the file of the Labour Court at Bangalore. During the conciliation proceedings before the Assistant Labour Commissioner, Mysore, the matter was settled and the II Party agreed to issue 50 kgs. of milled coffee. The II party so agreed to avoid stoppage of the coffee curing work and the probability of the Coffee Board transferring the coffee to another establishment for curing. The II Party was prepared to provide work to the garblers on 2nd February 1974 and 4th February 1974. It was the garblers who struck work. The non-employment of the garblers on 2nd February 1974 and 4th February 1974 is the result of act of comission and commission on the part of the garblers and hence they are not justified in demanding wages for the two days.

4 When the case was taken up today for hearing, a Joint Memo was filed by Dasappa, the Secretary of the I party and Nasarulla Khan the Secretary of the II party saying that in view of the settlement in I. D. No. 21/74 on the file of this Tribunal, the I party is not pressing the demand under reference and that the reference may be rejected.

5 In view of the settlement as per the Joint Memo, an award is passed rejecting the reference.
